

Spiritual Gifts Workshop

Often Christians ask:

What are my gifts?

How can I serve God through my church?

What is the difference between gifts of the Spirit and my God given giftedness?

How does the Holy Spirit work to grow my gifts?

Come along to this workshop to find the answers to these questions (and more!)

Location and time: (4 sessions)

Redeemer Narrabeena: Monday 16th July 730pm – 9pm

Redeemer Narrabeena: TBA

Jesus said "follow me!"

When we became a Christian we heard Jesus' personal call to 'follow me'. A disciple follows their teacher, their Lord.

Being a disciple of Jesus means listening to him, imitating him and walking in his footsteps.

Growing courses are offered to help you grow as a disciple of Jesus and to equip you to live as a disciple in the world.

In our Parish it is my prayer that all people will be growing in their faith and living as a follower of Jesus in every part of life.

I encourage you to come along and participate in one or more of these courses and invite your family and friends along.

Blessings,

Real Faith for Real Life

What is a Christian disciple? What does he/she look like? How do I grow in my faith?

In the church we talk about being a disciple and discipleship but so often we assume all people know what this means. This is a course that all people in our parish should attend as part of our big vision to be a church that grows disciples of Jesus who grow others.

This book will be used in conjunction with our Lenten sermon series and will be picked up later in the year as a study.

(This is a good follow up course for those who attended Alpha)

Cost: \$15 for the book

Locations and times: (6 sessions)
